THE FUNCTION AND PROCESS OF EDUCATION

The ability to *think* is a gift of the Creator, and the desire to *know* is divinely implanted.

Proverbs 9:10 says, "The fear of the Lord is the beginning of wisdom." So, a proper recognition and respect for God is the *first* step of education. A wise man can render a reason for all he does, but a fool is smug in his thoughtlessness. A wise man will increase in wisdom, but a fool is closed-minded. Education is a progression from Knowledge to Understanding to Wisdom, like the process from eating to digestion to physical energy. Learning is essential for deciding what things are least and most important, and for making intelligent choices in your everyday life.

Much of your present lifestyle has been shaped by everything you've learned since birth.

Education is the important act of passing along the accumulated knowledge from proceeding generations to the next one, without which we would be plunged back into the fears and superstitions of the dark ages of pre-history. Getting a degree just proves that you did your part in conveying the torch of truth to tomorrow's students. Ideas rule the world of men, and new ideas have changed the course of history. Our generation has been dubbed, "The Information Age." But, today's scientific technology may be outdated tomorrow.

Therefore, the Church must rise to the occasion and meet the demands of a high-tech and rapidly changing society. TTS BIBLE TRAINING INSTITUTE views

Christian education as a necessity and ministerial training as urgency. The public knows of the need for training for their secular occupations, so why should anyone suppose that evangelists and preacher need no special training? An untrained person is usually considered an amateur. Ignorance is not stupidity; it is merely a lack of information, so don't let a lack of education hold you back. All other things being equal, a smarter Christian can do more good than an ignorant one.

The TTS BIBLE TRAINING INSTITUTE holds the old, but ever fresh Holy Bible as the Manufacturer's Hand Book and the Universal Answer Book. The Word of God never changes,

In as Spiritual sense, the highest accreditation any school could have would be the blessings of Divine Providence. Our best accreditation is the successful lives and ministries of our satisfied students. Isn't graduate performance what it's really all about?

LAYWORKERS AND EXPERIENCED MINISTERS

The TTSBTI is deeply committed to providing both quality Bible college programs for lay Christian workers, and seminary training for experienced ministers. Our early courses are for Christians who wish to learn how to integrate Biblical principles into their daily lives, homes, and businesses ---those who want to be a better witness for the Lord, and to effectively participate in their local Church, community, and country.

In a sense, every Christian is a minister, in that we are all to server one another for the Lord's sake; and in a way, a preacher is just an over-grown Christian. Our latter

courses are for ministerial students, who already have a basic working knowledge of the Bible, but seek to develop more proficient ministerial skills.
