Founded 2007

Pastor Dr. Jimmie Lee Warren is the founder and president of Teach, Train, and Send Theological Seminary. The seminary was founded in 2005. Teach, Train, and Send Theological is an accredited bible seminary. The mission of TTS is to teach, train, and send and the foundation scriptures that support the seminary are Matthew 28: 19-20 and Romans 10:15:

(A-Clause):

Verse 19: Go therefore, and teach all nations baptizing them in the name of the father, and the son, and the Holy Ghost.

Verse 20: Teaching them to observe all things whatsoever I have commanded you: Lo, I am with you always, ever unto the end of the world.

(B-Clause):

Romans 10:15

And how shall they preach, except they be sent?

As Pastor, Dr. Warren believes that it is the responsibility of the church to reach out to the lost, hungry, and to be a financial leader to the nations. Dr. Warren knows God has called His body of believers to live in prophetic destiny, the destiny that transforms the lives of people.

Dr. Warren believes that destiny has more to do with the individual, while dynasty has more to do with us'. Destiny is "when" I am going. Dynasty is "where" we are going.

Destiny is our place on earth, but dynasty is where my destiny is divinely connected to your destiny and we are divinely going together. Dr. Warren believes that the traveling prophetic sound will break off spiritual lack and the spiritual disconnection in the Body of Christ.
